Dear Marta and Ladies,

Re: Baby Shower

I wanted to take this moment to express my sincere gratitude for the beautiful baby shower you all organized and held for our mothers and babies. Your gifts were so beautiful and very generous!

It was a magical moment to be able to celebrate the beauty of life with all of you lovely ladies. The food was delicious, and our girls couldn't stop talking about how nice it was to attend. They felt loved and appreciated and really enjoyed their time with everyone. Your actions will continue to make an impact in the lives of our young women and their precious babies for years to come. It is actions such as your own that show these young women that there are wonderful people in this world who care enough to make a difference in someone else's life.

TOTAL financial support we received: \$1,079.30

Please accept my personal gratitude on behalf of Shifra Homes, our young women, and our precious babies. We hope that you will continue to find our mission worthy of your assistance and support, so that we may continue to serve these young, pregnant, homeless women at a time in their lives when they need compassion and hope the most.

Thank you for making compassion a reality within our community!

Sincerely,

Nancy Romic
Executive Director
